

Southern Fulton School District 2019-2020 Photo/Video Approval Form

Dear Parent/Guardian,

We are very proud of the accomplishments of our students and staff. Photos and videotape footage of Southern Fulton students who are involved in various school-related activities are often used as part of the district's community relations program.

Photographs/videotape may be used in district publications, newspapers, the district web site and on television. (Photos used in the district web site will not include names of any student.) The photos will only be used to portray students in a positive way and to illustrate their achievements and accomplishments.
