

# SCHOOL DEVICE COVERAGE

Hello Parents,

We're excited to announce that the Southern Fulton School District Schools has chosen School Device Coverage (SDC) to insure the devices that will be given to your student as part of this year's 1:1 device program.

This insurance program will protect you in the event that your device is lost, stolen, or damaged accidentally. For one low annual price, you may file a claim against any number of incidents that take place with no deductibles, no added fees, and no claims limits.

To obtain coverage, please fill out the flyer that you will be given by the district and mail it in along with a check, or visit [schooldevicecoverage.com](https://www.schooldevicecoverage.com) and click on 'Sign up'. Join hundreds of thousands of parents nationwide who trust SDC to ensure that their child's device is protected for the 2022 / 2023 school year!
