September 29, 2021

Dear Parents,

I want to start by thanking you for your flexibility and resiliency as we shifted from in-person learning to remote learning during the past two weeks. As you are aware, our positive Covid cases and those on quarantine due to exposure to Covid were at an alarming rate. The recent school closure was an attempt to stop the spread of this highly contagious virus. I am happy to report that we were successful as our cases/quarantine numbers have decreased significantly. This is great news as it allows us to return as planned on Monday, October 4 back to full in-person instruction!

We are looking forward to students and staff returning next week but we will need your help in order to prevent the further spread of this virus. As per the Department of Health (DOH) order masks are mandated while students are in school and while riding the bus. We must follow this directive. Students are provided some relief during the day as masks breaks are permitted. Masks are not required while eating or drinking, during physical activity, or while students are outside. We are asking parents to encourage your children to follow this mandate to help keep our Covid cases at a minimum which will increase the likelihood of staying in school.

As we have stated before, the health and safety of our students are our number one priority second to providing a top-notch education. We are dedicated to continuing our vision-Students' Futures Matter To Us. And we can ensure this with your cooperation and support.

Thank you,

A handwritten signature in black ink that reads 'Tara Will'. The signature is written in a cursive, flowing style.
